## COVER

This is our third cover by Steve Allely. It depicts Westside Heisler #4 in the early days before the Shays arrived when the railroad was known as the "Hetch Hetchy and Yosemite Valley Railroad". Steve has captured the spirit of the Heisler in its world of tall trees and strong men. If you are interested in commissioning Steve to do a painting for you, write to him at 1736 Minda Drive, Eugene, OR 97401.
