Our cover is another one of Steve Allely's beautiful paintings. It shows Madera Sugar Pine Lumber Company's Old Betsy hard at work around the turn of the century; Old Betsy was the company's first locomotive. The painting is done in acrylic and you can obtain a 16 x 18 inch custom color print of it for \$45.00, including shipping, direct from Steve at 1620 Ridgefield, Eugene, OR 97404, (503) 688-6602.
