## COVER

Denver & Rio Grande Western #488 is shown coaling up in the snow in this beautiful winter painting by Jim Finnell. It won't be long before the locomotive's snowplow pilot will be clearing a path for #488 as she hauls her train over the Grande's 3-foot rails. Jim is happy to accept commissions for paintings. Write to him at Chama Graphics, P.O. Box 9127, Santa Fe, NM 87504.
