COVER

This issue's cover is by Robert Stephens and shows a small Porter with its log train on the North Fork of the Flathead River in Montana. Stephens is a **GAZETTE** author and artist (see page 78 and 79 of this issue), as well as a modeler, and makes his living as a fine artist. His luminous landscapes, portraying the American West, have received critical acclaim, and are prized holdings in museum and private collections. The self-taught artist's work has been compared to the old Flemish Illuminist masters and to the Hudson River school. Stephens will accept commissions. Write to him at 3365 West Valley road, Whitefish, MT 59037.
