COVER

The 3-foot gauge Bodie & Benton Railway's Baldwin 2-6-0 INYO steams across a desolate California landscape in this beautiful painting by Patrick Karnahan. The B&B was built in 1881 and ran between a lumber mill south of Mono Lake and the mining boom town of Bodie. For more information on this railway see "Robert's Ramblings." Patrick accepts commissions. Write him at P.O. Box 4541, Sonora, CA 95370.
