COVER

George Williamson painted this view of Lenora & Mt. Sicker Railway #1 on Vancouver Island, British Columbia. This "tiny" 3-foot gauge 10-ton Shay is struggling up a switchback on one of the line's 13 percent grades with a single load of copper ore. George does antique machinery restoration, and railroad and steam-era art. You can contact him at 1730 Centenary Ave., Nanaimo, BC Canada V9X 1A3. 250/754-8315, fax 250/754-8315.
