## COVER

Artist Marc Desobeau named this issue's cover painting, "Reciprocity Called to Arms." It depicts the 3-foot gauge Oahu Railway's #76 in 1943. RECIPROCITY was built in 1897 by Baldwin, and served throughout World War II. While this painting has been sold, you can see other examples of Marc's fine railroad art at [www.ArtistoftheRails.com](http://www.ArtistoftheRails.com). ©2007 Marc Desobeau.
