COVER

The crews of D&RGW Rotary OM and #484 - on loan to Jim Vail's HOn3 Glenwood & Black Creek Narrow Gauge take a break from their work in the warm office of the Winter Park depot. The locomotive is a Precision Scale Company brass import. The rotary was assembled from a Durango Press kit, and the depot was modified from a Builders-In-Scale depot kit.

This magazine is printed on recycled paper with a minimum of 10 percent post-consumer content.
