COVER

John Coker's cover painting was based on a photo of 2-foot gauge Bridgton & Saco River #5 in the Bridgton Junction yard. She came to the B&SR in 1906, and is shown here nestled up to the mighty Maine Central's #510. This painting was also reproduced on the cover of Benchmark Publication's latest book (Extra Narrow Gauge Junction, by the late Dick Andrews — see ad on page 94). John sells his paintings and prints at cokerart@obii.net, or visit www.rrart.com.
