## ON THE COVER

USA Trains' new PAs reviewed **page 180**  
A scratchbuilt garden empire **page 72**

**COVER:** A class B Dunkirk has just crossed the Cascade River and is starting up a 4% grade out of the river valley on Gary Edlen's Cascade Timber & Mining Railroad. Turn to page 72 for the story.

**RIGHT:** Shay I.M. Brown crosses the Cascade river westbound on the CR&T. Sternwheeler Laura Kay is getting ready to load at the Sweet Pea fertilizer plant. In summertime, the creeping phlox resemble wild willows growing along the embankments.
