COVER: A GP-9 takes a freight train over a tall trestle while an old Mogul passes beneath on Andrew Kann's 50s-era railroad. Turn to page 66 for the story.

RIGHT: Engine N° 4, a modified LGB 0-4-0 Porter, creeps slowly across Trout Run, trying not to disturb the catch of the day for the cooks at Mary Ellen's Catfish Cafe on Ronnie Davis's indoor R&P Lumber Company.
