Problematic purlane

## ON THE COVER

- How to weather a locomotive **page 22**
- Improve Kadee coupler performance **page 52**
- How to propagate plants **page 82**
- 6 amazing Canadian National models **page 72**
- Building an imaginative railway **page 58**

**RIGHT:** The rumble of the diesel engine and the whine of the cooling fans of the midday *Comet* are ignored by the awaiting passengers at Pasheo who are engrossed in conversation. They will soon be hustled aboard for their fast run to Wombat via Blue Spruce. See the story on page 58.
